

American Lincoln

American Lincoln Parts for Sweepers - The American Lincoln division is presently associated with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning equipment that are known in the business as durable and strong machines which meets all the needs of heavy industry and larger infrastructure. Products made in the United States; the sales are conducted nation- wide via authorized distributors, direct Government sales and national accounts.

American Lincoln shares the battery operated walk behind version of floor scrubber with the Clarke Company which is currently likewise owned by Nilfisk Advance. Their manufacturing operations are based in Springdale Arkansas. These kinds of scrubbers are accessible in the market under the brand name "Encore". American Lincoln could supply machines, parts and warranty service for these types of scrubbers which carry both the Clarke and Encore logos.

Distributed in Wal-Mart and Target distribution centers, the 7765 floor scrubber model is the top selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for numerous facility managers where results and efficiency matter. Recently, this particular floor scrubber model has been requested by the architects in new construction projects like Lowes Home Improvement Stores and Home Depot's. Flooring contractors make use of this sweeper scrubber on site due to the model's supreme performance level and high standard of quality for polishing concrete.
